Cookies

Moveprice may use “cookies” to personalize or enhance your user experience. A “cookie” is a small text file that is placed on your hard disk by a web page server. Cookies cannot be used to run programs or deliver viruses to your computer. Cookies are uniquely assigned to you and can only be read by a web server in the domain that issued the cookie to you. One of the primary purposes of cookies is to provide a convenience feature to save you time. For example, if you personalize a web page, or navigate within a website, a cookie helps the site to recall your specific information on subsequent visits. Hence, this simplifies the process of delivering relevant content and eases site navigation by providing and saving your preferences and log-in information as well as providing personalized functionality.

Moveprice reserves the right to share aggregated site statistics with partner companies but does not allow other companies to place cookies on our Website unless there is a temporary, overriding customer value (such as merging into www.moveprice.com a site that relies on third-party cookies).

6. Web Beacons or GIF Files. Pages on this Website may contain electronic images known as web beacons – sometimes also called single-pixel GIFs – that allow Moveprice to count users who have visited those pages and to deliver co-branded services. Moveprice may include web beacons in promotional e-mail messages or newsletters in order to determine whether messages have been opened and acted upon. Some of these web beacons may be placed by

third-party service providers to help determine the effectiveness of our advertising campaigns or e-mail communications. These web beacons may be used by these service providers to place a persistent cookie on your computer. This allows the service provider to recognize your computer each time you visit certain pages or e-mails and compile anonymous information in relation to those page views, which in turn enables us and our service providers to learn which advertisements and e-mails bring Users to our Website and how they use the Website. Moveprice prohibits web beacons from being used to collect or access your personal information.

7. Accessing Personally Identifiable Information. We will provide you with a reasonable opportunity to access your personally identifiable information that we have collected, correct it if inaccurate, or delete it as appropriate. Online merchants and others who participate in Moveprice services are encouraged to participate in industry privacy initiatives and to take a responsible attitude towards consumer privacy. However, since we do not have direct control over the policies or practices of participating merchants and other third parties, we are not responsible for the privacy practices or contents of those sites.
